CROSBY WINS IN
TRACK ATHLETICS

Presents Well Balanced
Team Against Bridgeport
High In Dual Meet

Crosby high of Waterbury, defeated Bridgeport High in a dual track meet at Waterbury, 33 to 26, yesterday, and it was nip and tuck between them until the 100 yard dash was run off. Before this the home athletes led by two points, but the victory in the relay gave them the margin by which they won out.

The victors presented a well balanced team and a number of second and third places in the various events brought their score up to where it was impossible to beat them.

Saur came in first in the 220 yard dash and was the only H. S. man in a field of six that competed.

Quigley was in wonderful form, winning the 100 yard dash and the quarter mile.

Loveless sprung a surprise by tying Casey of Crosby for the honors in the running high jump.

Both Jepson and Ryder showed up well in the running broad, which was won by Jepson, Ryder taking third place. Serr made a jump of 18 feet but they claimed he had fouled by passing the take off.

Bobby Streeter was Crosby's mainstay. He won first place in the half mile and his wonderful running in the relay won the meet for them. He is making arrangements to go to England, Belgium and France as a runner for the Boy Scouts.

JUMPS HILLIES
TO STEEL LEAGUE

Messenger, Pittsfield Out-
fielder, Quits Organized
Ball.

Pittsfield, May 12—"Bob" Messenger, who for years has been one of the leading players in the Eastern League, has jumped the Hillies to play in the Steel League.

Messenger, who was notified by President Vance and Manager Birmingham Saturday night that he had a tempting offer from the Steel League, and he decided to accept it as the Pittsfield management could not meet his terms.

On Sunday morning when the team started for Waterbury, Messenger was among the missing. He was later notified by Mr. Messenger that he had started in their automobile for Pennsylvania and had notified friends they did not intend to return.

Messenger's action just at this time leaves the Hillies considerably crippled as Warren Adams, the first baseman, is in the House of Mercy hospital for treatment for an injury to his leg. He was hit by a pitched ball in the opening game of the season on the common and, although he played for several days afterward, the leg continued to bother him.

Adams will leave the hospital in a few days. He may be in the game against Albany on Wednesday at Park Friday.

As in her other races, she won in a gallop. If anything, her victory yesterday was more impressive than her preceding ones.

The field was the best she has faced this spring, and she won, eased up by five lengths. At one time she was nearly ten lengths in front. She sprinted into an early big lead and maintained a fast pace all the way, running the first quarter in 23 seconds, the half in 47 2-5 and the four and one-half furlongs, the distance of the race, in 54 2-5, two-fifths of a second behind the track record.

Tandler was all over the Frenchman and made a chopping block out of him. In the fifth Papin was knocked out three times for the count of nine. He managed to come to the scratch for the sixth round, but didn't last very long, for after two minutes and 30 seconds Tandler ripped in a fierce left to the jaw and Papin went down like a log to be counted out.

LAI'S HITTING
STREAK CHECKED

After having hit safely in ten consecutive games, Buck Lai, third baseman of the Americans, was stopped yesterday in Waterbury by Andy Meyerjack, the Bridgeport boy working with the Brass City outfit. Lai was fooled completely and couldn't connect in four trips to the plate.

During his consecutive hitting run, Lai hit safely 16 times in 37 times at bat for an average of .406. Five of his 13 hits were for extra bases, including two doubles, two triples and a home run—the only one manufactured by the local batsmen to date.

PLANS FORMING
A. A. U. BRANCH
IN CONNECTICUT

Representatives of the Bridgeport High school and Dr. W. H. Donaldson, district A. A. U. commissioner of Fairfield county, took part in the deliberations to aid launching the Connecticut Amateur Athletic Union in the trophy room of Yale gymnasium last night.

He drew attention to the progress made along these lines in other states, and added that Connecticut, instead of being the "tail to the kite of the Metropolitan association, should be the kite itself." He pointed out that all clubs would be represented on the board of governors, the idea being to break great organizations like the Metropolitan into smaller units.

It was then unanimously decided to petition the A. A. U. for direct affiliation and committee members formed to carry out the necessary work.

TODAY IN PUGILISTIC ANNALS.

1908—James J. Jeffries, having defeated Fitzsimmons, Corbett, Sharkey, Ruhnlin, Munroe and all other good heavyweights, and finding no other worthy antagonists in the field, announced his intention of quitting the ring. Jeffries expressed the opinion that his vacated title should go to the winner of the battle between Marvin Hart and Jack Root, to take place in Reno, the following July. Hart was the victor, but he soon went down to defeat before Tommy Burns, and the Canadian held the honors against all challengers until his defeat by Johnson in 1918. Jeffries expressed the opinion that he would like to have a "come back," and recover the title for the white race, with the result he gentle reader wots of.
